Picture yourself looking through your bank statement trying to decipher different transactions, it can be a time consuming and sometimes frustrating task.

At Zurich we allocate hundreds of payments daily, so if the above information isn't provided it can lead to delays in service.

With your help we can get your policy up and running in no time!

## Is there anything else I need to know?

Depending on who you bank with, it can take 3-5 working days for Electronic Transfers to reach us.

With this in mind, please remember that the Investment date is the date we receive funds assuming that we have a valid fund choice. If we don't have a valid fund choice, the effective date will be the date that the fund choice is received.
